Data Available for Review:

- **Data from Interim Assessments if available**
 - Math would be very aligned with the target we want with Meets on STARR
 - Reading was a lot lower and we are not near the Meets on STARR
 - The report on how we ranked overall has not been provided to the campus
- **Benchmark ISIP**
 - Kinder will be using the TX KEA and not IStation this year

-
- On iStation there is some slump in the dual language classes and ESL is improving

Other CAC Business:

- **Principal Update:**

 - We had \$23,840 that was put back into our Title I budget. We do need 75% of that money spent by December. We still have \$4,100 left to spend

 - **New Hiring**
 - New librarian
 - New 4th grade teacher

 - **Community Walk Feedback**
 - \$670 million dollars will be sent back by the district to the government as part of the recapture
 - Due to being a TUP campus, this year will be our goal phase for our campus and we will begin our implementation phase next year
 - We did a community walk at the beginning of November to try and bring students back to our school
 - It has been suggested we should include students in our walks as well as provide goodies
 - **Pre-K Survey**
 - Consensus was they would rather have a late entry and a late exit
 - As of right now we will not be able to make the change until next school year due to transportation issues
 - Pre-K will probably begin at 8:15 next year and end at 3:00
